## Profile

Experienced Developer with a versatile skill set spanning software engineering, front-end development, UI/UX design, and graphic design. Over four years in the industry, I've demonstrated proficiency in multiple roles including Developer Advocate, Junior Cybersecurity Analyst, and Data Analyst. Passionate about creating intuitive user experiences and advocating for innovative tech solutions. Well-versed in digital and email marketing strategies, enhancing products with engaging visuals, and ensuring security measures are implemented effectively. Ready to leverage my expertise to drive impactful results in a dynamic environments.

## Professional Experience

2024/10 New York, United State	<b>UI/UX Designer   Internship</b> <i>Gaotek Inc   Remote</i> As a UI/UX Designer at GAO Tek Inc., responsible for designing intuitive and user-friendly interfaces for tech products.
